6 WAYS TO IMPROVE HEALTH

MAINTAIN A HEALTHY WEIGHT

First and foremost, maintaining a healthy weight is one of the best things you can do to live healthy and lower your cancer risk.

USE GOOD JUDGMENT WITH ALCOHOL

Excess alcohol consumption has been linked to several cancers, including breast cancer and esophageal cancer," Basen-Engquist says.

GET YOUR BEAUTY SLEEP

We can't live or function without sleep – it enables us to accomplish the things we want to in life," says Diwakar Balachandran, M.D., medical director in the MD Anderson Sleep Center.

AVOID TOBACCO

This is one of the biggies. Research shows tobacco use is the cause of 25% to 30% of cancer deaths. But despite those risks, roughly one in five adults still smokes, according to the Centers for Disease Control and Prevention.

BE SMART IN THE SUN

It takes more than a little sunscreen to avoid skin cancer, including its deadliest form, melanoma

4. Create email newsletter design using Mailchimp or canva tool.

GARBAGE DUMP: DELHI

Garbage mess likely for several Delhi areas

The contract of a private concessionaire tasked with collecting waste from neighbourhoods in central, south and southeast Delhi runs out in November. Parts of the national capital are staring at a garbage crisis from November, when the contract of a private concessionaire tasked with collecting waste from neighbourhoods in central,

south and southeast Delhi runs out, said Municipal Corporation of Delhi (MCD) officials aware of the matter, adding that it is unlikely another agency will be hired in two months.

The concessionaire, said the officials cited above, picked up garbage from MCD's Central Zone, which includes Daryaganj, Kalkaji, Sarita Vihar, Siddharth Nagar, Lajpat Nagar, Andrewsganj, and Amar Colony, among others
